Go In-Network to Save

Wiland’s health plans use a network of doctors and hospitals that have agreed to discounted pricing with the insurance company. So, when employees visit a network doctor or health provider, they pay less. Follow these instructions to search for a health provider online:

- Delta Dental of Colorado:**
Go to www.deltadentalco.com. Type your zip code in the “Find a Dentist” box, then click the “Find” button. Choose a Delta PPO dentist for the greatest savings.
- Vision Service Plan:**

UnitedHealthcare Rewards

Get in on an experience that’s designed to help inspire healthier habits! UHC Rewards is a streamlined digital experience that Wiland employees and their spouses can participate in and earn up to \$300 annually for reaching program goals and taking health actions. Participants can personalize their experience by selecting activities that are right for them—and the same goes for ways to spend earnings. Employees may immediately start earning rewards by activating UHC Rewards from the UnitedHealthcare® app and their myuhc.com® account. Once activated, they can start completing a variety of actions such as connecting a tracker for daily steps, active minutes, and sleep, taking a health survey, getting an annual checkup or biometric screening, completing one-time reward activities, and much more.

Dental Benefits

Wiland offers dental benefits through Delta Dental. Under this plan, preventative exams and cleanings are covered at 100% and may be scheduled twice per consecutive 12-month period.

The Delta Dental plan has three levels of dentists to choose from: Delta PPO dentists, Delta Premier dentists, and Non-Participating dentists. Employees will experience the most savings if they visit Delta PPO dentists. In addition, when an employee visits a PPO dentist, preventative and diagnostic benefits will not count toward the annual benefit maximum, so the employee’s annual benefit will be even greater.

- \$5,000 for your Dependent Care FSA

Any unused funds in your 2024 plan year account, up to \$660, will automatically be rolled over for use in the 2025 plan year. Even if you do not make a new election for the 2025 plan year Health FSA, you are still eligible to use your carried over funds in 2025.

Life and Accident Coverage

Basic Life and Accident: Wiland provides employees with term life coverage in the amount of one and one-half times their basic annual salary up to \$550,000. Should an employee’s death be due to an accident, the employee’s beneficiary would receive an additional one and one-half times their salary in accidental death & dismemberment (AD&D) benefit.

Voluntary Life and AD&D: Employees may choose to supplement their basic life and AD&D policies with voluntary coverage through Mutual of Omaha. Employees may purchase up to \$500,000 in increments of \$10,000. New hires are guaranteed to qualify for up to \$200,000 of benefit without submitting proof of good health. If an employee purchases coverage for themselves, they may also purchase voluntary life for their spouse and dependent children.

Disability Coverage

Employees’ disability policies provide them with income protection should they be disabled and unable to work.

Short-Term Disability: Following 10 working days of disability due to illness, accident, or other medical events, employee coverage will replace up to 75% of their weekly pre-disability earnings and, as approved, may continue for up to 12 weeks.

Long-Term Disability: Should an employee be disabled for more than 90 days, employee coverage will replace 60% of their monthly pre-disability earnings up to \$10,000 per month with approval.

Accident and Critical Illness Coverage

Through Mutual of Omaha, employees have Accident and Critical Illness coverage available at discounted group rates. These plans are voluntary and are paid for entirely by employees.

Accident: This provides the opportunity for employees to lessen the financial burden on themselves and their families in the circumstance of accident, injury, or death.

Critical Illness: This provides the opportunities for help in covering the amount of out-of-pocket health care expenses related to certain critical illnesses.

Employees are eligible to participate in Wiland's 401(k) plan through Fidelity on the first of the month after their hire date. For employee convenience, Wiland has an auto-enrollment program. Employees will automatically be enrolled unless they opt out.

Employees may contribute 1-60% of their salary to their 401(k) account on a tax-deferred basis up to the IRS maximum. Wiland will match 50% of up to an 8% percent employee contribution per pay period. There is a three-year "vesting" period for employees to build 100% ownership in the contributions that Wiland makes on their behalf.
